DUCK SHOOTERS PRE-SEASON CLAYBIRD SHOOTS

\$275.00pp

Dust off your shotgun and brush up on your skills before heading to the Maimai at the inaugural Duck Shooters Pre Season Shoot with Beretta at Bracu.

Beretta at Bracu is a 40 minute drive south of Auckland City and is nestled amongst the stunning grove at the Simuovich Olive Estate.

Shoot from our three fields utilising the latest Beretta shotguns and experience a vast range of targets from the 20 traps. The event is designed to suit all abilities and will challenge even the most experienced shooters with a combination of sporting and flurry shoots.

At the conclusion of the shoot, experience an exquisite game inspired lunch/dinner designed by talented Head Chef Mikey Newlands at award winning Bracu Restaurant. The menu includes fresh seasonal offerings from the Estate's own gardens and passionate local producers.
